4.4.2. Procedures and policies for maintaining and utilizing physical, academic and support facilities - laboratory, library, sports complex, computers, classrooms etc. (maximum 500 words) (information to be available in institutional Website, provide link)

The college has a simple policy and mechanism for maintenance and upkeep of the infrastructural facilities. The Physical facilities are maintained by college administration with the help of supervisors. Optimum working condition of all properties/ equipment's on campus is ensured. The principal confers the management for maintenance of buildings such as repairs, colouring internal roads etc. The management allocates the budget from the available financial resources. The college takes care for optimal allocation and utilization of the yearly budget for maintenance. • The college utilizes its physical infrastructure maximum by operational time table made for maximum use of utilization. The college space and classrooms are allocated for different activities such as ground tournaments, classrooms, auditorium for functions, external communities, computer lab for offline online exams of different agencies etc. Class rooms are cleaned by supportive staff. The principal and administrative office, ladies room, washrooms, common room, toilet etc. are cleaned on daily basis. • Sport facilities: The College has developed play grounds like Basketball, kabaddi, Khokho, Handball, cricket, running track etc. for outdoor games. The director of Physical education sports maintains the record of utilization of theses ground. The maintenance of these sport facilities along with Gym is done on the need basis under the supervision physical director. • Laboratories: There are nine laboratories in the departments of Chemistry, Botany, Zoology, Physics, Electronics, Geography language lab. etc. All the labs are well equipped with required scientific instruments. The college arrange providers and suppliers for the services of calibration and repairs of various equipment's in laboratories. Head of the departments take care whether the equipment's are working with proper calibration. • Library: The books are issued to the student and staff on their library cards. The library is open for 8 hrs. on all working days. Students and teachers can access books online with the help of OPAC software. INFLIBNET online portal is available for faculty. There is a library attendant to keep the library resources clean and tidy. The pest control of library books is done as per requirement. There a provision of fire extinguisher. • The college frequently appoints labourer and experts as per necessary in the field of maintenance of the equipment and infrastructure facilities to maintain the Xerox copier machine, water filter, Generator, Inverters, CCTVs etc. Maintenance of these facilities is done regularly as per the requirements. • The college has proper electrical installation. Transformer for the whole campus is ongoing by the distribution company. The college has Generators for alternative supply of power. UPS and stabilizers are used for the sensitive equipment's. There are three tube wells with proper pump facility and supply connections in the main Buildings, Laboratories, Garden and Hostels etc. The tube wells and other electrical repairs are made

with the help of local experts. • Maintenance of botanical garden other plants is done with the help of gardener.

New administrative building for sufficient facilities and lift is being made soon. It is four stored building and first stored is known a administrative building. Newly added two laboratories for chemistry department. Waste Management and Earth worm project is run by Zoology department In this year 180 trees are planted. water harvesting project is run by Geography department. Green audit is done by Botany department every year.
