Student Satisfaction Survey for A.Y. 2020-21

Our College conduct Student Satisfaction Survey with the help of Google form, which was designed as per the guidelines and the link was circulated among the students to elicit student opinion and perspective regarding Institution, Teaching Learning Method, Infrastructure etc., Questions were asked in objective format. 1105 student responded for this survey and their opinion were collected, compiled, evaluated and summarized.

The students have expressed satisfaction about the teaching faculty. Many have appreciated that teachers illustrate concepts through examples and applications, institutes conduct remedial classes, teachers use student centric methods, such as experiential learning, participative learning and problem based learning for enhancing learning experiences. Teachers encourage students to express and clarify their doubts in class. Students have appreciated the teacher's attitude towards teaching and fairness in evaluation. Most of the students were satisfied with the syllabus covered and the teaching style of the teachers

They also expressed satisfaction on the infrastructure of eco-friendly nature of the building and its environs that made them feel close to nature, the teaching halls and audio-visual facilities available in the college.

The result analysis shows that majority of the students have highly appreciated the facilities available in the institution very positively. We also observed some comments, which will help us to improve ourselves in some aspects.

The result of the survey is shown in the form of bar graph and pie chart below.

Please confirm this is the first and only time you answer this survey.

Some suggestions for improvement given by students:-

- The library hours and Competitive Exam related books need to be increased. E-library and library automation to be strengthened
- Online resources can be increased and ICT facilities to be strengthened further
- More emphasis on skill based learning and promoting entrepreneurial skills, Communication skills. Sports facilities development.
- Collaborations with good globally recognized institutes like IIT's, NITs etc.
