Institutional Distinctiveness

The Anandrao Dhonde Alias Babaji Mahavidyalaya runs on the vision. Not things but men can change the world. This shows the dedication and faith of college to build the personalities with transformative potential. Efforts are being made by the college for building personalities with transformative potential. This objective is achieved through low cost but high quality education along with transformative environment. Students of diverse community and meager income parent's children have given an opportunity to their developing talent, curiosity and devotion to knowledge. Thus there can be effective change in their life, ultimately the society then nation and the world. The Mahavidyalaya imparting 17 U.G 03 P.G and 02 research centres. The teachers in our institution are experienced and expert teachers who use ICT tools for teaching. 95% teachers have completed research. Three teachers conducted minor research project sanctioned by UGC. Eight teachers minor research project is going on.

Holistic development of students is achieved by participation in various curricular and co-curricular activities. i.e Academic, Sports, Social services, leadership, cultural activities etc. College shows its broad vision through its different units N.S.S, Women's cell, Cultural department, Literary Association, as well as other departments to develop the abilities of the students to play a proactive role in the neighborhood. With the affiliation of Dr. B.A.M.U Aurangabad, under the wing of *Lifelong Learning and Extension* three short term courses are run in our institution. Our college organizes book Exhibition, State level elocution competition, Blood donation camp, different workshops, seminars for students, teachers and non-teaching staff, and other activities facilitating social friendship, peace, communal harmony, nonviolence, for healthy society.

Our college awakens students and society to environmental awareness, self-employment, Health awareness for women, organic farming, non-conventional sources of energy etc. Thus Anandrao Dhonde Mahavidyalaya fosters activities for the holistic development of youths. The institution has adopted village Anandwadi through its NSS wing for overall

development. This village won Third Prize in Water Cup Foundation Competitions 2018 with amount of Rs 20,00,000/- The responses of the youths increasing and we hope this college will be the centre of serenity and communal harmony in future.
