Welcome to Department of Commerce

Introduction to Department

Department of Commerce is the department having English & Marathi medium for imparting commerce education.

It caters the need of Trade, Industry and commerce for manpower requirements. Department has started PG courses in 2002 (M.Com). Ph.D. in 2015.and B.Voc in Accounting & Taxation in 2020. We also guide the students for promotion of Employment receivable management opportunities by arranging guest lecturers of different authorities from DIC, MIDC, MCED and even from industrial sector, the industrialist where by the students vision can be developed.

Scope & Importance

New economic reforms and globalization has increased the scope and importance of commerce education. Particularly scope and importance of commerce education is more because of increasing demand of IT and financial services sector day by day. Marathwada region is fastest growing region in Asia which has created favorable environment for commercial and industrial activities. At present Marathwada having five industrial areas which are Chikalthana, Waluj, Paithan, Shendra & Jalna. Creation of Social Economic Zones (SEZ) have also created demand of commerce graduates, It is prospective I.T region of Maharashtra State in near future. It is connected by Road, Rail, and air with all corners of the country. Hence commerce education is having tremendous scope. Our time to time updated syllabus is more useful for completing professional courses like C.A.CMA.C.S.M.B.A. and other relevant courses. Marathwada region having industrial and business centre with great background of historical and cultural heritage.

VISION:

- The commerce department aim to provide excellent and value based commerce education
- The department provides regular classrooms, Google classrooms, independent experiential learning in traditional field of commerce.
- The department works to develop responsible learners and researchers.
- To establish a centre for integrating all facets of commerce.
- To educate and train innovative and competent manpower globally suitable for industry, business and service sector.
- To encourage students to start their own ventures in urban or rural areas, benefiting both the classes and masses.

MISSION:

- To train the students with required levels of competence for employment in both domestic and global market.
- To train student with required skills for self-employment.
- To seek continuous improvement in the quality of education to remain globally competitive.

AIM OF THE DEPARTMENT

- To consolidate, strengthen and update the existing programmes.
- To expand and diversify to cover the frontier areas by introducing newly certain innovative academic programmes.
- To foster research in regional studies that too of interdisciplinary nature.
- To keep regular interaction with business and industry with the help of establishment of chairs and entering into MOU's.
- To introduce professional courses, short-term, Long-term and need based.
